

friendlyr

# Let's help friends make more memories, together.

**Friendlyr** is a digital social coordinator that helps friends and clubs make plans, then connects them to experiences that bring their group closer.

Friendlyr **gets more groups** through the door.

Friends looking  
for last-second  
plans

Vendors with  
last-minute  
availability

## Be the place for **face-to-face.**

Join the movement bringing **human connection** back offline.
